

## Commitment Declaration

We, the EFC \_\_\_\_\_, are aware of the fact that as an official Fanclub of Eintracht Frankfurt, we publicly represent Eintracht Frankfurt and all its fans.

Therefore, we will do everything to enhance the image of Eintracht Frankfurt and will refrain from doing anything that may harm it.

We will refrain from any discriminatory behavior in relation to us and our name, whether it is racist, anti-Semitic, sexist, or homophobic. This particularly applies to chants, the use of relevant symbolism, wearing controversial clothing, and the publishing of posts on the internet, particularly on social networks.

We will not participate in any violent conflicts.

We are aware that any form of misconduct, also by individual members, can lead to the deduction of the status as an official Fanclub.
